The commission also administers appropriate portions of the Continuing Education and Regulation Program, Iowa Code chapter 272C. The license law authorizes the commission to issue licenses and regulate the activities of real estate brokers and salespersons, and to carry out a program of real estate education. The subdivided land law authorizes the commission to register out-of-state subdividers who engage in business in Iowa, and to refer violations to the Attorney General or to an appropriate court. Iowa Code chapter 272C requires licensees to participate in continuing education, and authorizes the commission to adopt administrative rules. The law also establishes procedures for review of the licenses and lists grounds for disciplinary sanctions.
