

The Iowa Board of Veterinary Medicine was created in 1900 when the first Veterinary Practice Act became effective. The five-member board has three members who are licensed veterinarians and two members who represent the public. The State Veterinarian serves as the board's secretary.

The board offers the North American Veterinary Licensing Examination in April and December to qualified applicants to determine their personal and professional qualifications to practice veterinary medicine in Iowa. The board also offers the Veterinary Technician National Exam for veterinary technicians. The board sets the standards for certification of veterinary assistants, and may conduct investigations, hold hearings, and take disciplinary action in matters involving the practice of veterinary medicine.
