Rita Grimm, General Counsel/Chief Operating Officer

The Iowa Economic Development Authority (IEDA) seeks to enhance the economic development of the state and provide for job creation, increased prosperity and opportunities for the citizens of the state through financial and technical assistance, training to businesses and individuals, and coordination of other state, local, and federal economic development programs. Key to the success of IEDA is its attention to working with companies that invest in the state through infrastructure development and those creating high-quality, high-wage positions.

The IEDA, working with its board of directors, designs and implements policies that increase opportunities for Iowa, its citizens, and communities. Through an integrated program base, developing a positive quality of life for all Iowans is of utmost importance. Business and community development, workforce training, international trade potential, and tourism and recreation opportunities all add to enhancing Iowa’s excellent quality of life.

Eleven voting members and seven ex officio, nonvoting members serve on the IEDA Board. The Governor appoints the voting members. The ex officio members include two state senators and two state representatives appointed by legislative leadership; one president or designee from the University of Iowa, Iowa State University, or the University of Northern Iowa appointed by the State Board of Regents; one president or designee of a private college or university appointed by the Iowa Association of Independent Colleges and Universities; and one president or designee of a community college
