

local environmental, hospital, transportation, broadcast and print media, community groups, and owners and operators of facilities subject to EPCRA's requirements. The LEPCs are required to develop comprehensive chemical emergency plans, establish operating rules, respond to public requests for information, and coordinate all EPCRA information. The commission stipulates that the comprehensive chemical emergency plans are to be incorporated as a part of the multihazard plans required for each county under the Iowa Code.

The Iowa Flood Mitigation Board shall establish and the department, subject to direction and approval by the board, shall administer a Flood Mitigation Program to assist governmental entities in undertaking projects approved under Iowa Code chapter 418. The Flood Mitigation Program shall include projects approved by the board to utilize either financial assistance from the Flood Mitigation Fund created under Iowa Code section 418.10 or sales tax revenues remitted to the governmental entity under Iowa Code section 418.12.

The board shall prescribe application instructions, forms, and other requirements deemed necessary to operate the Flood Mitigation Program.

The board shall submit a written report to the Governor and the General Assembly on or before January 15 of each year that provides detail on the status of all approved projects. Additionally, the board shall provide any recommendations for legislative action to modify the provisions of Iowa Code chapter 418.
