## DEPARTMENT OF INSPECTIONS AND APPEALS

Ch 10A

*Lucas State Office Building, Des Moines 50319; (515)281-7102;

Steven K. Young, Director.....Serves at Pleasure of Governor  
Dean Lerner, Deputy Director

The Department of Inspections and Appeals (DIA) is a multifaceted regulatory agency charged with protecting the health, safety, and well-being of Iowans. The department is responsible for inspecting and licensing or certifying health care providers and suppliers, restaurants and grocery stores, social and charitable gambling operations, hotels and motels, and barber and beauty shops. In addition, DIA staff investigate alleged fraud in the state's public assistance programs and conduct contested case hearings to settle disputes between Iowans and various state government agencies.

The department was created in 1986 to coordinate and conduct various audits, appeals, hearings, inspections, and investigations related to the operations of the executive branch of state government. DIA is organized into four major divisions (Administration, Administrative Hearings, Health Facilities, and Investigations), each with its own specific duties and responsibilities. The Administration Division, which includes the director's office and staff, oversees the daily operation of the agency. The director's office sets policy for the department and is responsible for coordinating DIA's various programs and functions.

Attached to the department for administrative support purposes are five additional units — Child Advocacy Board, Employment Appeal Board, Hospital Licensing Board, State Public Defender, and Racing and Gaming Commission. Each unit, like DIA's major divisions, has Code-mandated duties and responsibilities.

### ADMINISTRATION DIVISION

*Lucas State Office Building,  
Des Moines 50319; (515)281-5457*

Essential, centralized support services for the department are coordinated by and through the Administration Division. Staff attached to the director's office oversee all strategic planning, legislative affairs, administrative rulemaking, personnel, and public information activities for the department. The director's office also supervises all inspections performed by the department, including food safety inspections at restaurants, grocery stores, and food processing plants, as well as sanitation inspections performed at barber and cosmetology shops, and hotels and motels. The state's Social and Charitable Gambling Program is located within the Administration Division, as is the Targeted Small Business Certification Program.

In addition to duties as the department's chief administrative officer, the director is authorized to enter into and implement agreements or compacts between the state and Indian tribes to operate Indian gaming establishments. Currently, three casinos in Iowa are operated by Indian tribes: Casino Omaha in Onawa, operated by the Omaha Tribe of Nebraska; Meskwaki Bingo and Casino in Tama, operated by the Sac and Fox Tribe of the Mississippi in Iowa; and Winna Vegas in Sloan, operated by the Winnebago Tribe of Nebraska.
