The State Board of Engineering Examiners was created by the Thirty-eighth General Assembly in 1919. No person can practice professional engineering or land surveying without first being registered with this board. The board meets from time to time and conducts examinations of applicants for registration.

The law provides that the membership of the board shall consist of five members who shall be appointed by the governor. Each member of the board shall be a professional engineer at least 35 years of age and shall have been a resident of this state for at least three years immediately preceding his appointment and shall have had at least ten years active practice preceding his appointment and during such time shall have had charge of engineering work as principal or assistant for at least two years, and shall be a member in good standing of a recognized state or national engineering society. No two members of said board shall be from the same branch of the profession of engineering.
