

The General Assembly created the Iowa Finance Authority in 1975 as a public instrumentality and agency to undertake programs that help working-class Iowans attain and maintain safe, decent, and affordable housing. The General Assembly charged the Iowa Finance Authority with encouraging the investment of private capital and stimulating the construction and rehabilitation of adequate housing through the use of public financing. A nine-member board of directors, appointed by the Governor and subject to confirmation by the Senate, serves in a policymaking capacity for the agency. Over the years the Iowa Finance Authority's role has expanded considerably and currently includes four primary areas of responsibility. The Iowa Finance Authority offers a variety of programs that address a continuum of housing needs, from homeless assistance and multifamily rental to single-family homeownership. The Iowa Finance Authority issues tax-exempt bonds for a wide range of projects and provides the lowest-cost funds for drinking water and waste water facilities in Iowa. This program, called the State Revolving Fund, receives federal grants that allow for low-interest loans to assist communities with the planning, design, and construction of water facilities. The Iowa Finance Authority's Title Guaranty Division offers a low-cost mechanism to guarantee title to real property in Iowa. Working with attorneys, abstractors, and lenders throughout the state, the division ensures the integrity of the land-title transfer system.
