INFORMATION TECHNOLOGY ENTERPRISE
Hoover State Office Building, Des Moines 50319; (515)281-3462

John Gillispie, Chief Operating Officer

The Information Technology Enterprise provides leadership for enterprise-wide information technology (IT) service delivery. The primary objective of the office is to centrally focus IT initiatives, activities, and direction for the state. Additionally, the chief operating officer is the senior administrator of the Information Technology Enterprise (ITE) within the Department of Administrative Services. ITE functions as an information technology service division, providing services to various state governmental entities. ITE is the sole provider of information technology utility services to the executive branch of government and is a provider of competitive marketplace services, as well. ITE is comprised of three bureaus — Infrastructure Services, Applications and Electronic Government Services, and Integrated Information for Iowa (I/3).

Infrastructure Services – *Lorrie Tritch, Administrator;* Hoover State Office Building, Level B, Des Moines 50319; (515) 242-5898
The Infrastructure Services Bureau is responsible for the operation of the Mainframe Data Center (including the personnel at the Iowa Workforce Development data center), server hosting, networking, security, desktop support, and help desk, providing high-quality information technology consulting, processing, storage, and related services.

Applications and Electronic Government Services – *Mark Uhrin, Administrator;* Hoover State Office Building, Level B, Des Moines 50319; (515) 281-5818
The Applications and Electronic Government Services Bureau manages application systems programming and development staff to support the program systems of enterprise and executive agencies; develops and maintains the systems that provide citizens and businesses electronic access to state government services and resources; and manages the IT training area and the database/data warehouse area to provide innovative technical support to state agencies and citizens.

Integrated Information for Iowa (I/3) Technical Support – *Sharon Sperry, Administrator;* Hoover State Office Building, Level B, Des Moines 50319; (515) 281-4568
The I/3 Technical Support Bureau provides the strategic direction as well as the functional deployment and support of the Integrated Information for Iowa (I/3) system, which includes the
