The Capitol Planning Commission was established by the General Assembly in 1959, and is composed of legislators, citizens of Iowa appointed by the Governor, and the Director of the Department of Administrative Services or the director's designee. The commission's purpose is to provide advice regarding the location and architecture of buildings and other aspects of the development of the State Capitol grounds.

The Iowa Vertical Infrastructure Advisory Committee was established by Governor Thomas Vilsack's Executive Order Number 3 in February 1999 to oversee the inventory and assessment of state buildings and to make recommendations annually to the Governor regarding the use of appropriated funds.

The ADA Advisory Committee was established to focus on the unique issues related to building and facility accessibility required by the Americans with Disabilities Act (ADA), and to make recommendations to the Department of Administrative Services and to the Governor's Vertical Infrastructure Advisory Committee on ADA projects.

The 69th General Assembly created the Terrace Hill Commission (formerly the Terrace Hill Authority) in 1982. The commission consists of eight persons appointed by the Governor who are knowledgeable in business management and historic preservation and renovation, and the First Lady. The terms of the commission members are for three years beginning on July 1 and ending on June 30.

Terrace Hill was given to the state of Iowa by the Hubbell family in 1971. The Terrace Hill Commission was established to administer Terrace Hill. The commission, acting through the Terrace Hill administrator, manages the entire Terrace Hill facility, including buildings and grounds; continues the ongoing preservation and renovation of this historic site; maintains Terrace Hill as the Iowa Governor’s official residence and as a place for official state functions; and oversees the conducting of public tours. As a governing body, the commission may consult with the Terrace Hill Society Foundation, the executive and legislative branches of this state, and other persons interested in the property.

The Iowa Department on Aging (IDA) was first created as the Commission on the Aging by the Iowa General Assembly in 1966. In 2008, the department was again renamed to the Iowa Department on Aging (IDA).
