The Department of Inspections and Appeals (DIA) is a multifaceted regulatory agency charged with protecting the health, safety, and welfare of Iowans. The department is responsible for inspecting and licensing or certifying health care providers and suppliers, restaurants and grocery stores, social and charitable gambling operations, and hotels and motels. In addition, DIA staff investigate alleged fraud in the state’s public assistance programs and conduct contested case hearings to settle disputes between Iowans and various state government agencies.

The department was created in 1986 to coordinate and conduct various audits, appeals, hearings, inspections, and investigations related to the operations of the executive branch of state government.
