DEPARTMENT OF INSPECTIONS AND APPEALS

Rod A. Roberts, Director Serves at Pleasure of Governor
Aaron Baack, Deputy Director

The Department of Inspections and Appeals (DIA) is a multifaceted regulatory agency charged with protecting the health, safety, and welfare of Iowans. The department is responsible for inspecting and licensing or certifying health care providers and suppliers, restaurants and grocery stores, social and charitable gambling operations, and hotels and motels. In addition, DIA staff investigate alleged fraud in the state’s public assistance programs and conduct contested case hearings to settle disputes between Iowans and various state government agencies.

The department was created in 1986 to coordinate and conduct various audits, appeals, hearings, inspections, and investigations related to the operations of the executive branch of state government. The DIA is organized into four major divisions (Administration, Administrative Hearings, Health Facilities, and Investigations), each with its own specific duties and responsibilities. The Administration Division, which includes the director’s office and staff, oversees the daily operations of the agency. The director’s office sets policy for the department and is responsible for coordinating the DIA’s various programs and functions.

Attached to the department for administrative support purposes are four additional units — Child Advocacy Board, Employment Appeal Board, State Public Defender, and Racing and Gaming Commission. Each unit, like the DIA’s major divisions, has Iowa Code-mandated duties and responsibilities.

Rod A. Roberts, Administrator

Essential, centralized support services for the department are coordinated by and through the Administration Division. Staff attached to the director’s office oversee all strategic planning, legislative affairs, administrative rulemaking, personnel, and public information activities for the department. In addition to duties as the department’s chief administrative officer, the director is authorized to enter into and implement agreements or compacts between the state and Indian tribes to operate Indian gaming establishments. Currently, three casinos in Iowa are operated by Indian tribes: CasinOmaha in Onawa, operated by the Omaha Tribe of Nebraska; Meskwaki Bingo and Casino in Tama, operated by the Sac and Fox Tribe of the Mississippi in Iowa; and WinnaVegas in Sloan, operated by the Winnebago Tribe of Nebraska.

The Food and Consumer Safety Bureau is located within the Administration Division. The bureau houses the food and lodging licensing and inspection program, the social charitable gambling unit, and targeted small business (TSB) certification. The bureau licenses and supervises food safety inspections performed at restaurants, grocery stores, and food processing plants, as well as sanitation inspections performed at hotels and motels. Bureau staff members take and investigate
