

ment of examination scores, and issues resident physician licenses, as well as temporary and special licenses.

The board is empowered with the duty and responsibility of licensee discipline, which involves the investigation of complaints or liability claims, review of evidence, initiation and prosecution of disciplinary proceedings, and imposition of license discipline. The board is authorized to operate the Iowa Physician Health Program, a voluntary program for monitoring recovery/rehabilitation of impaired physicians. The board may, if necessary, petition the district court for enforcement of its authority. The board registers and establishes peer review committees to investigate and report on the evaluation of certain complaints or other evidence of acts or omissions possibly constituting cause for licensee discipline. The board issues license renewals and certifications for licensure in other jurisdictions and determines requirements for continuing medical education.

The board is responsible for evaluating applications and issuing licenses to qualified acupuncturists. Persons who hold a valid Iowa license to practice medicine and surgery, osteopathic medicine and surgery, chiropractic, podiatry, or dentistry may engage in the practice of acupuncture without registration issued by the board.
