

is given to applicants proposing to pursue previously neglected topics or new approaches to or interpretations of previously treated topics. The State Historical Society of Iowa invites applicants from a variety of backgrounds, including academic and public historians, graduate students, and independent researchers and writers. Applications will be judged on the basis of their potential for producing publishable work. Grant recipients will be expected to produce an annotated manuscript targeted for *The Annals of Iowa*, the society's scholarly journal.

The Iowa Developmental Disabilities Council is established under the federal Developmental Disabilities Assistance and Bill of Rights Act of 2000, Public Law No. 106-402, as the state agency responsible for developmental disabilities services. The purpose of the law is to assure that people with developmental disabilities and their families help design and have access to necessary services, supports, and other assistance.

The Developmental Disabilities Assistance and Bill of Rights Act mandates that 60 percent of the membership be persons with developmental disabilities or family members of individuals with developmental disabilities. The remainder of the membership consists of representatives of principal state agencies, local and nongovernmental agencies, as well as private, nonprofit groups concerned with the development, administration, and delivery of support and services to individuals with developmental disabilities. Members are appointed by the Governor and serve three-year terms.

The council is required to promote, through systemic change, capacity building, and advocacy, a coordinated system of culturally competent support and services that provide opportunities for individuals with developmental disabilities to be independent, productive, integrated, and included in their communities.

The responsibilities of the council include advocating for support and services that enhance the potential for increased independence, productivity, and integration of individuals with developmental disabilities; developing the state plan for the developmental disabilities program in Iowa; administering the federal grant, which is allocated to Iowa from the federal Administration on Intellectual and Developmental Disabilities on an annual basis; and submitting an annual report to the commissioner of the federal Administration on Intellectual and Developmental Disabilities that summarizes all activities related to the developmental disabilities program in Iowa.

The council is located administratively within the Department of Human Services, which is its designated state agency.

Communication – Rik Shannon is the council’s legislative liaison, (515) 288-0443. Becky Maddy Harker is the Executive Director, (515) 288-0442, 700 Second Avenue #101, Des Moines 50309.
