Data and Reports

Higher Education Data – The commission maintains a database of enrollment, financial aid, alumni, and other data about Iowa colleges and universities. The database is maintained through surveys conducted by the commission and with the cooperation of the National Center for Education Statistics. An annual digest based on the data has been published since 1975 and is available on the Internet at www.iowacollegeaid.org/researchers/index.html.

Diversity Report – Since 1988, the commission has collected and maintained student and faculty ethnic diversity reports from Iowa colleges and universities receiving state grant moneys. Information contained in these annual reports reflects the institutions' commitment to recruit and retain minority students and faculty. Copies of the most recent reports are available on the Internet at www.iowacollegeaid.org/researchers/index.html.
