The Board of Educational Examiners exclusively licenses the state’s education practitioners who do not hold or receive a license from another professional licensing board. Authority of the board includes establishing criteria for the licenses, including but not limited to issuance and renewal requirements; creation of application and renewal forms; creation of licenses that authorize different instructional functions or specialties; development of a code of professional rights and responsibilities, practice, and ethics; and the authority to develop any other classifications, distinctions, and procedures which may be necessary to exercise licensing duties.

The board enforces its adopted rules through revocation or suspension of a license or other disciplinary action. Appeals are heard by the board regarding application, renewal, suspension, or revocation of licenses.

The board is made up of 12 members – two members must be from the general public, one member must be the director of the Department of Education or the director’s designee, and nine members who must be licensed practitioners. Members of the board are appointed to terms of four years. The director of the Department of Education or the director’s designee serves until the director’s term of office expires.
