The Alcoholic Beverages Division was created administratively within the Department of Commerce to administer and enforce the laws of this state concerning beer, wine, and alcoholic liquor. The division also has the sole power to buy, import, and sell at wholesale all alcoholic liquors in the state. Total funds generated in fiscal year 2003-2004 were in excess of \$75 million, with over \$58 million being directly deposited into the State General Fund. The wholesaling of liquor to package liquor stores accounted for approximately \$46 million of the total transfer to the State General Fund.

An Alcoholic Beverages Commission was created within the division and is composed of five members, not more than three of whom shall belong to the same political party. Commission members are appointed by the Governor for five-year terms subject to confirmation by two-thirds of the Senate. The commission acts as a division policymaking body and serves in an advisory capacity to the division administrator.

The division administrator is appointed by the Governor to a four-year term subject to confirmation by two-thirds of the Senate. The administrator supervises the daily operations of the division and executes the policies of the division as determined by the commission. The commission may affirm, reverse, or amend all actions of the administrator, including but not limited to the purchase of alcoholic liquor for resale by the division; the granting or refusing of liquor licenses and permits, wine permits, and beer permits and the suspension or revocation of the licenses and permits; and the establishment of wholesale prices of alcoholic liquor.

The division has the sole power to appoint necessary employees; to determine the nature, form and capacity of packages kept or sold, and to prescribe or approve labels and seals to be placed on same; to license, inspect, and control the manufacture of alcoholic liquors in Iowa; and to make rules and regulations necessary for carrying out the provisions of the alcoholic beverages law.
