Division with a Fiscal Impact

Description and Background

Division III (Salaries — Certain Boards and Councils)

The Division provides for salaries of \$10,000 per year for the members of the Board of Education, the voting members of the Council on Health and Human Services, and the at-large members of the Board of Regents.

Division VIII (Elimination and Mergers)

Eliminates and merges various boards and commissions and transfers their authority accordingly. This includes the elimination of the Public Employment Relations Board (PERB) whose duties are being transferred to the Employment Appeals Board. This includes the elimination of the Executive Director of the PERB who has a salary from \$73,000 to \$112,000.

Assumptions

- There will be a total of 24 members who receive a salary of \$10,000 per year: Seven members of the Board of Education, eight members of the Board of Regents, and nine members of the Council on Health and Human Services.
- Costs associated with eliminated boards and commissions will not continue in the future.
- There will be a reduction in expenses to the State from the elimination of the Executive Director of the PERB of up to \$112,000.

Fiscal Impact

There will be increased costs associated with the salaries being given to members of the Board of Regents, Board of Education, and Health and Human Services Council. The salaries for these members will result in a total cost to the State of \$240,000.

The elimination of the PERB Executive Director will result in a reduction in expenses to the State of up to \$112,000.

The elimination of the remaining boards and commissions throughout the various divisions of the Bill are estimated to have a minimal decrease in expenses to the State.

[SF 2424](#) – Volunteer First Responder, Property Tax Reduction (LSB1551SV)
Staff Contact: Michael Peters (515.281.6934) michael.peters@legis.iowa.gov
Fiscal Note Version – New

Description

[Senate File 2424](#) creates a property tax abatement for owners of homesteads who meet minimum requirements as volunteer emergency services providers. The annual abatement is limited to the lesser of 10.0% of the property taxes due or \$500. Property taxes levied by a local school or community college are excluded from the abatement, as well as any property taxes levied by a taxing authority that does not approve the abatement application for its portion of the consolidated property tax bill.

To receive the abatement, an emergency services provider must meet all the following criteria:

- Owns a homestead within the local service area of the provider’s emergency services entity.
- Earns less than \$5,000 per year as a volunteer for the applicable emergency services entity.
- Has volunteered for five or more years with the emergency services entity.
- Is in good standing with the emergency services entity.
- Files a petition with the County Board of Supervisors requesting the abatement.

If a homestead owner has been a qualified volunteer for 10 or more years, the property tax abatement is allowed for the remainder of the volunteer’s life.

The abatement also applies to special assessments owed on the property. The abatement is first available for property taxes due during FY 2026.

Assumptions

The following assumptions were used in the development of the fiscal impact projection:

- The average assessed residential property value for assessment year (AY) 2021 was \$168,000. That amount is assumed to increase each year by the average annual Iowa residential revaluation percentage from AY 2016 through AY 2022 (3.7%).
- The AY 2024 residential rollback is 43.3428%. This rollback is assumed for all years.
- The FY 2024 statewide average property tax rate, excluding school and community college levies, for residential property is \$18.19. This rate is assumed for all years.
- Based on the previous assumptions, a 10.0% abatement will reduce a qualified volunteer homestead owner’s FY 2026 property taxes by \$160.
- Based on the number of claimants for the [Volunteer Fire Fighter and Emergency Medical Service Personnel Tax Credit](#), the Department of Revenue estimates that there are 12,305 qualified volunteer emergency services providers currently operating in Iowa who could qualify for this abatement if they own a homestead. Based on U.S. Census Bureau statistics on Iowa home ownership, the Department estimates that 71.6% of the 12,305 own homes.
- The impact of the lifetime abatement provision is not known. For this estimate, the number of volunteer emergency services providers who qualify for the abatement is increased 2.5% each year to adjust for retirements of personnel who have 10 or more years of qualified volunteer service.

- Not all who qualify will apply for the abatement, and not all local government entities will approve abatements. This estimate is reduced by 15.0% to account for these situations.
- The Bill creates a property tax abatement, not a credit or exemption, so Iowa Code section [25B.7](#) (State funding of property tax credits and exemptions) does not apply.

Fiscal Impact

The property tax abatement created in the Bill to benefit qualified volunteer emergency services providers is projected to reduce property taxes owed by taxpayers and property taxes collected by local governments by \$1.2 million in FY 2026. Due to retirements and annual property value increases, the projected reductions are expected to increase by approximately \$100,000 per year.
