HHS	Department on Aging	Commission on Aging	231.11	11	7 Governor; 4 legislators	Minimum of 4 per year	The FY 09 cost may be higher in relation to previous and future years because we held some meetings in conjunction with the Single Point of Entry Resource Team meetings, which were required by law to be held around the State. Our Commission Chair headed both the Resource Team and Commission last year. This required additional staff travel last year although that cost was very minimal.	\$ 10,109	\$ 4,953	\$ 5,155
