Sally J. Pederson, Lt. Governor

Mollie K. Anderson, Director

July 20, 2004

TO: Member of the Legislative Fiscal Committee

FROM: Calvin McKelvogue, Chief Operating Officer, State Accounting Enterprise

SUBJECT: Monthly Military Pay Differential Report required by SF458, Section 21.

On May 31, 2003, the Governor signed Senate File 458. Section 21 of the bill is an appropriation of \$1,810,000 to the Department of Revenue and Finance (or its successor agency) for the primary purpose of paying a pay differential to state employees mobilized in support of various military actions. Section 21 of the bill also requires a monthly report to the fiscal committee of the Legislative Council on the use of the funds. This letter, with insert, constitutes the report for the month ended June 30, 2004.

During June 2004, the DAS-State Accounting Enterprise continued to receive and respond to requests from mobilized and demobilizing state employees. We continue to review documentation required to calculate a potential differential. During the month, we again contacted all departments where we had identified individuals on military leave and attempted to document current status. The information received and payments made through June 2004 are reflected in the attached document.

We will continue to aggressively seek information through a variety of means to assure that all mobilized and returning state employees are aware of the potential benefits provided in the bill.

Any questions concerning the information contained in this report may be addressed to Calvin McKelvogue, 515-281-4877, calvin.mckelvogue@iowa.gov.
