

Roadmap for Key Decisions for Policy Makers Affordable Care Act Implementation in Iowa

Health Benefits Exchange (HBE)

Medicaid

Eligibility IT System

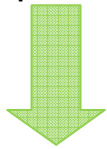

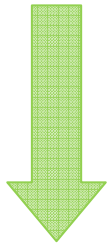

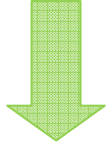

<p>October 2010</p> 	<p>Research and Analysis to present options to the Governor and the Legislature (Planning Group)</p> <p>If state-level, what are key decisions, pros and cons, resource needs, estimates of operational costs, insurance market issues, estimates of how many people will flow through Medicaid, small group, individual market, quality for tax credits).</p>	<p>Research and Analysis to present options to the Governor and the Legislature</p>	<p>Research and Analysis of options to support ACA requirements for eligibility for Medicaid, CHIP and the tax credits the Exchange through formal IT Options Analysis, Cost Benefit Analysis (DHS)</p>
<p>January 2011</p>	<p>Provide information to the Governor and Legislature.</p>		<p>1/12/11 Options Analysis Complete 1/28/11 Cost Benefit Analysis Complete Budget Estimates Developed 2/11 Request for Information</p>
<p>February 1, 2011</p> 	<p>Decide: Federal Exchange or State-level?</p> <p>If State-level, need to decide:</p> <ul style="list-style-type: none"> Governance (state agency, quasi public/private, 501c3?) Small group/individual market issues Purchase outside exchange? State employees through the Exchange? Plan ratings Call center/navigator operations – who, how much? What duties and responsibilities, including Medicaid eligibility Regional or Iowa only Exchange? Funding – what to contract, staff resources, IT for the web portal and other functions, equipment, space Implementation Plan 	<p>Decide: Key policy decisions for Medicaid:</p> <ul style="list-style-type: none"> Current Medicaid groups over 133% FPL – keep, move to Exchange, wraparound? Implement a Basic Health Plan for those 133% FPL – 200% FPL? Define benefits for Benchmark plan for new eligibles (adults) Does Exchange do Medicaid eligibility or contract with DHS? Does Exchange do Tax Credit eligibility or contract with DHS? Powers and duties of Exchange call center and navigators relative to Medicaid eligibility Decisions on DHS Field Operational model to support Medicaid simplification rules & Exchange 	<p>Decide: Scope of new system?</p> <p>Key policy decisions for Eligibility IT:</p> <ul style="list-style-type: none"> Support eligibility for Medicaid and Tax Credits? ‘Seamless’ requirements Build new system? In-house or contract out? Integration of Medicaid/CHIP/ Exchange will maintaining link to other DHS programs Interoperability among new eligibility system, Benefits Exchange, MMIS and Health Information Exchange. Funding to start IT system work.
<p>April 1, 2011</p>	<p>Decide: Authority, duties of State-level Exchange</p>	<p>Decide: Key policy decisions</p>	<p>Decide: Key Policy Decisions Appropriation needed</p>
