Stay connected!

Find your “home” college then make your way around to try all hands-on activities and speak with every student! Each of Iowa’s 15 community colleges is spotlighting one of their programs supported by **Last Dollar Scholarships**. Responding to our state’s workforce needs, these programs are high-demand careers being met through accessible, excellent education.

Share the stories of the students you met today on social media! We are dedicated to student success and want to share what that looks like. The students who gave their time today sent their stories leading up to this event. Use the QR code to see the full impact of **Last Dollar Scholarships**.
