

iJAG'S IMPACT ON SCHOOLS & COMMUNITIES

"iJAG has quickly become integral to our district—strengthening work-based learning, improving engagement, and expanding opportunities. It's been a fantastic addition to our high school curriculum and student success."

*Barb Schwamman, Superintendent
Osage Community School District*

"iJAG gives students something every young person deserves: a consistent, caring adult who truly sees them. It provides meaningful relationships in smaller settings that help students feel valued and connected."

**— Stacey Cole, Superintendent
Storm Lake Community School District**

"We consider iJAG a valuable resource—connecting classroom learning with business partners and creating a brighter future for students."

*Brad Buck, Superintendent
Waukee Community School District*
