

Let's build the future.

Iowa Jobs for America's Graduates (iJAG) partners with more than 3,000 employers across the state of Iowa to bridge education and the workplace so that students have the skills and experience needed to succeed, thrive, and become future-ready leaders.

There are several ways your company can engage with our students in the classroom, attract them to your workplace, or spend time with them in the community or at an event.

CLASSROOM

Share your story

promote your career, company, or industry

Share your skills

"I've seen great things happen in the classroom and at iJAG events that impact students' lives far beyond high school. Understanding their challenges and watching them persevere to accomplish goals is truly inspirational."

- **Derrick Prine, John Deere and iJAG volunteer/mentor**

"If you are an Iowa-based company and want to develop a talent pipeline, iJAG should be at the top of your list of potential partnerships. iJAG can help match employers and students with internships and ensure that our future leaders have the right skills that employers are looking for."

- **Dustin Blythe, AT&T and past iJAG board member**
