Dear Ms. Acton,

In the Justice System Appropriation Budget Subcommittee Meeting held on 2/7/13, Representative Taylor requested that we provide the amount of the bonus being paid to Commissioner London and how it was being funded.

I have found that he is receiving \$619.62 per pay period, or \$16,110 annually. The funding source is the appropriation made to the Administrative Services Division of Public Safety.

If you need anything else please let me know.

Sincerely,

Martin G. Deaton, Director  
Administrative Services Division
