¹ On 4/14/03, funds were transferred from the Pending Senior Living Trust Fund to the Senior Living Trust Fund.

² Of the \$20.0 million appropriation for nursing facility conversion grants, \$15.9 million was transferred to the Medical Assistance Program (Medicaid) for FY 2001.

³ HF 2245 (FY 2002 Medical Assistance Program (Medicaid) Supplemental Act) transferred \$9.5 million from the \$20.0 million appropriation for nursing facility conversion grants to Medicaid.

⁴ Original supplemental appropriation was \$36.0 million. HF 667 appropriated an additional \$9.5 million.

⁵ The Governor's FY 2004 recommendation also included a recommendation to gradually phase out the use of the Fund for Medicaid beginning in FY 2005. If this occurs, the Fund will not be depleted until FY 2009. The attached spreadsheet reflects this alternative.

Assumptions:

Deposits from the Intergovernmental Transfer Mechanism will cease after September 30, 2003.

Interest rate of 3.0%.

Appropriations for future fiscal years will continue at the FY 2004 levels.

Assumes any future increases for nursing facilities will be paid by the General Fund.

Department of Elder Affairs Services and Administration based upon FY 2004 appropriation, 8.5% thereafter.

Projections provided by the LFB may differ with those provided by the Dept. of Management due to slight differences in interest calculations.

Key:

NF = Nursing Facility

LTC = Long-Term Care

DEA = Dept. of Elder Affairs

DIA = Dept. of Inspections & Appeals
