

Legislative Fiscal Bureau Web Site

Information for the Joint Economic Development Appropriations Subcommittee

January 10, 2001

The Legislative Fiscal Bureau has launched a new web site, designed to provide timely, useful information to legislators, staff and the general public. The site's address is <http://www.legis.state.ia.us/lfb> and can also be accessed from the General Assembly's web site.

Subcommittee Information

The new LFB web site includes links to information on each of the appropriations subcommittees. From the Economic Development Appropriations Subcommittee page, you will be able to find agendas, minutes, and handouts for each meeting. The page also includes links to members' web pages, staff e-mail, and web sites for related departments and agencies.

LFB Products On-Line

The new site also provides on-line access to most of the LFB's products, including Budget Analysis, Fiscal Notes, Issue Reviews, Daily Receipts, Fiscal Update, and the Monthly Revenue Memo. You will continue to receive hard copies of most these products, but we hope you'll find on-line access to be time-saving and convenient.

Your Input is Welcome

As you visit and use our new web site, please share your suggestions for how we can improve it to better serve your needs. Alice Wisner and Dwayne Ferguson will be maintaining the Economic Development Appropriations Subcommittee pages and will welcome your ideas for information and related links you would like to see there.
