

# LEGISLATIVE ASSIGNMENTS

*-Organized By FCCLA Chapter-*

- Voting districts are determined by population and districts are divided on the basis of counties.
- Since many school districts span multiple counties, more than one voting district may be listed for each chapter.
- If you're not sure which district you are a constituent, find your legislator by visiting the website <http://staffweb.legis.state.ia.us/find-leg/>
- District maps for the Senate and House of Representatives can be viewed by visiting the respective website below:
