Subject: Requested Timesheets

As requested by the Government Oversight Committee, I am enclosing copies of the time sheets for Deborah Dessert since she began employment with the Auditor's Office in January 2005 through June 30, 2006.

For each pay period when her time sheet reported 80 or more hours, Deb received her established bi-weekly salary. For those pay periods when her time sheet reported less than 80 hours, she received a proportional share of her established bi-weekly salary. She did not accumulate or use compensatory time.

Please feel free to contact me if you or the Committee has any questions about this.
