### SITI Internet Initiative of the Year!

Software and Information Technology of Iowa (SITI) announced on Wednesday, March 23, 2005 that Iowa Land Records had received recognition as the Internet Initiative of the Year. Iowa Land Records Project Manager Phil Dunshee and the ABC Virtual Development Team were present to receive the award on behalf of everyone involved with the project. Members of the Iowa County Recorders Association were recognized for their sponsorship of the project. Congratulations to Iowa Land Records!
