Community College Offered Classes

---

Supplementary Weight for Community College Offered Classes:  
.48 x (% of year)

### Community College Offered Classes

#### Supplementary Weighting Criteria:

- Course must supplement, not supplant, high school courses,
- Course must be included in the community college catalog or an amendment or addendum to the catalog,
- Course must be open to all registered community college students, not just high school students,
- Course must be for college credit and the credit must apply toward an associate of arts or associate of science degree, or toward an associate of applied arts or associate of applied science degree, or toward completion of a college diploma program,
- Course must be taught utilizing the community college course syllabus, and course must be of the same quality as a course offered on a community college campus.

#### Community college courses not eligible for supplementary weighting:

Alternative school and/or at-risk programs  
High school completion programs  
Contracted high school classes  
GED programs  
Extended high school programs  
PSEO courses  
Articulated voc-tech courses where receipt of credit is postponed  
Courses for which the parent or guardian pays a fee or tuition
