

## Iowa Compared to the U.S.

The following charts show how Iowa ranks among all states for student loan debt on graduation and grant aid to college and university students.

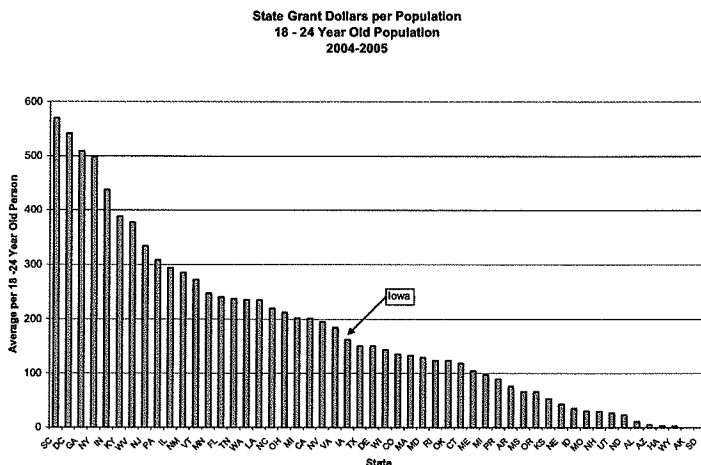

### Debt on Graduation

According to the *Project on Student Debt*, the Iowa college and university class of 2005 ranked second in the nation for debt on graduation with an average debt of \$22,727 for all students at all four-year institutions.

### State Grant Assistance

According to the *National Association of State Student Grant and Aid Programs*, Iowa ranked 24<sup>th</sup> in the nation for State grant dollars per 18- to 24-year-old in the population in 2004 – 2005.
