Iowa Reading Research Center

Report to Education Appropriations Committee (January 29, 2014)

Michelle Hosp Ph.D., Director

A Call to Action

Nearly 25% = 8,706 third graders are NOT proficient in reading

1 in 4

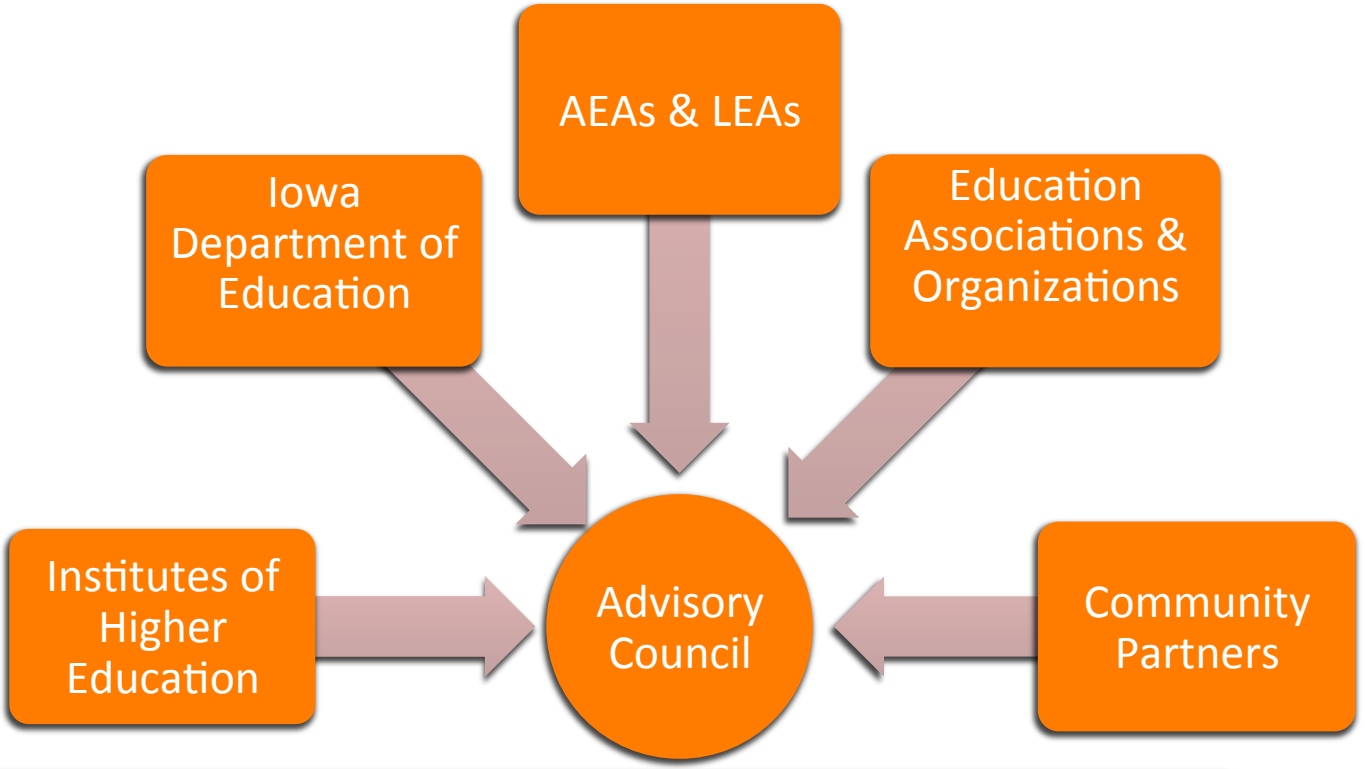
Establishment of IRRC

- Formed during the 2012 legislative session (Senate File 2284), with continued appropriations in the 2013 session.
- Under the auspices of the Iowa Department of Education.
- Fiscal Agent is Grant Wood AEA within the AEA consortium

IRRC Team

- Michelle Hosp (Director)
- Tracy Donohue (Literacy Consultant)
- Sara McInerny (Communications Liaison)
- Therese York (Secretary)

Advisory Council



The role of the Advisory Council is to promote knowledge regarding literacy instruction that supports the mission and goals of the Center. The council meets quarterly to advise and provide assistance to the IRRC.

IOWA READING RESEARCH CENTER

Purpose of IRRC

To apply current research for the development and dissemination of best practices around literacy instruction so that ***every child in Iowa will achieve reading proficiency***.

Our Charge

- Models for Effective School Community Partnerships
- Intensive Summer Literacy Program
- Reading Assessments ($800,000)
- Data Reports ($400,000)
- Instructional Strategies and Interventions
- Professional Development
