Directions

To the Chief Mahaska Room...

Upon entering the building from the Union parking lot you will be on the Ground Floor. On your right hand side there will be a flight of stairs. Follow the stairs up one flight to the first floor. Head straight as you walk on to the first floor. On your right there will be a student lounge with computers. On the left will be Glattly Commons with several couches and chairs. Behind Glattly Commons is the Chief Mahaska Room.

Accessing the elevator in the Union...

From the Ground Floor entrance, head straight down the hallway past the stairwell. You will pass the Game Room on your left, the bookstore on your right. There will be a few more offices further down the hallway such as the Chronicle and Student Government Association Office. Once you pass these two offices, on the right hand side will be a set of double doors. Open the doors and straight ahead you will find the elevator. Push 1 for the first floor. Once you arrive on the first floor go straight ahead and the large room in front of you is the Chief Mahaska Room.

Bathrooms...

If you are entering the first floor of the Union from the stairwell, head straight to the west end of the building. As you approach the west end, there will be a sign directing you to the bathrooms down another hallway on your right hand side. Follow this sign and you will find the bathrooms on the left hand side. There are also bathrooms on the Ground Floor across from the entrance to the elevator. (Instead of taking a right after the Chronicle and SGA offices, take a left.)

Student Services Office...

The Student Services Office is on the first floor next to the south entrance. As you enter the first floor from the stairwell, take a left instead of heading straight ahead to the Chief Mahaska Room. The Student Services Office will be on your left hand side. You will be able to make copies here if need be.
