MHDS Region Funding

- Governor's Budget Recommendation:
 - \$11,774,275 Social Services Block Grant
 - \$2,200,000 Mental Health Block Grant
 - Spend Down Fund Balances
 - Keep MHDS Levies at SFY16 levels
 - Eliminate the Medicaid Off-set

MHDS Region Funding

- SFY14 County Funding
 - Received \$152.3 M from MHDS levy, equalization and federal block grant
 - Spent \$114.9 M
 - Saved \$10.1 M from 6 months of the Iowa Health and Wellness Plan
 - Ended with \$104.5 M in fund balances

MHDS Region Funding

- Iowa Health and Wellness Plan Savings
 - Enrollment up 37% in SFY15 compared to SFY14
 - Magellan is spending about \$3.2 M per month on mental health services including:
 - Inpatient Psychiatric \$1.4 M per month
 - Outpatient Therapy \$784,000 per month
 - Evaluation and Management \$253,500 per month
 - Emergency Room \$215,500 per month
 - Habilitation \$165,000 per month

Funding Recommendation

- Funding Level Based on SFY15 Funding Minus Full Iowa Health and Wellness Savings
 - \$157.8 M MHDS Max Levy, general fund, and SSBG
 - \$ 27.7 M \$20.2 M Medicaid Offset X 1.37 IHWP Growth
 - \$130.1 M Funding Level
 - Available Funds
 - \$108.5 M SFY16 MHDS Levy
 - + \$ 13.9 M Pro Rata Distribution of Federal Block Grants*
 - \$122.4 M Total
- * In proportion to each region's share of the Funding Level
- The difference between the Funding Level and the Available Funds would be made up by fund balances¹⁰
