Iowa Health System is well down the path of the EMR status. We currently have the following clinics utilizing all or parts of the EMR. By then end of 2008 they will be completely deployed with the EMR. All ten hospitals have been using an EMR for the past 7 -12 years. Our large Home Care agency is also utilizing a EMR for the last 6 years as well. We are now working on integration of all the EMR to pass information between them.

The following hospitals:

Iowa Health Des Moines Methodist
Iowa Health Des Moines Lutheran
Iowa Health Des Moines Blank
St Luke's Cedar Rapids
St Luke's Sioux City
Trinity Fort Dodge
Trinity Terrace Park Bettendorf
Trinity West Rock Island
Allen Hospital Waterloo
Finley Hospital Dubuque

Stats from our clinics:

As of 10/01/07

30 clinics are currently on EHR
119 clinics live with e-prescribing
IHS Employed Physicians
318 Physicians/Providers on e-prescribing
188 Physicians/Providers on full EHR/Rx
15 Providers left to go with Rx+
811 Clinical Staff using EMR in clinics

I hope this information is what you are looking for, if not please advise.

Thanks

Jim
