

Budget Context

- Cultural grants (appropriation I22) and county endowment funding (appropriation 812) are line items administered by the **Iowa Arts Council**, a division of the Iowa Department of Cultural Affairs.
- Cultural grants and county endowment funding line items make up **40%** of the division's **\$1.3 million granting budget** and are augmented by two other funding sources: the Arts Division state line item (appropriation I21) and an annual federal appropriation from the National Endowment for the Arts. Together, state line items help make up the agency's **required state match to its federal funds**.

Purpose

- Iowa Code section 303.3 (cultural grant programs) was created with the dual purpose of 1) providing **matching grants** in support of projects that provide jobs for Iowa residents while enhancing Iowa's artistic, cultural, ethnic and historical resources and 2) providing general **operating budget support** to major, multidiscipline cultural organizations in Iowa.
- Iowa Code section 99F.11 (county endowment funding) provides **supplemental funding** to support the cultural grant programs created in 303.3.
- Eligible applicants must be nonprofit, tax-exempt community organizations, tribal councils or local governments.
- Applicants must provide **dollar-for-dollar match** to grant funds awarded either through direct cash match or in-kind services.

Impact

- **100%** of cultural grant and county endowment funding line items is granted out to Iowa nonprofit **arts, history and cultural** organizations, tribal councils and local governments.
- Since 2013, grants awarded from these line items have leveraged **more than \$3 in private sector matching funds to every \$1 of State funds**.
- In FY2015 alone, **more than 2.5 million people** were served by projects or organizations receiving cultural grant or county endowment line item grant funding.
- Grant recipients span history and heritage organizations, visual arts, opera, music and theater, dance, folklife and traditional arts, parks and recreation, literature and the humanities.
