

Integrated Farm and Livestock Management (IFLM) Demonstration Program Iowa Soybean Association

Summary:

1. A long-standing and highly successful Iowa program – Thank You!
2. IFLM funds are leveraged to bring an additional approx. \$1M - \$1.5M annually
3. IFLM-sponsored (full or partial) projects, demonstrations and communications in every Iowa county – ISA Research Conference approx. 500 attendees (Feb 16-17, 2016)
4. IFLM support has helped to build integration and collaboration within ISA and with Iowa Corn Growers, Iowa Pork Producers, Iowa State Univ. and many others
