Dear Ms. Lande:

On behalf of Senator Riordan and the International Relations Committee, I wish to thank you for taking the time out of your busy schedule to come and speak to the Committee. I know that Senator Riordan and the members that were present really enjoyed the opportunity to speak with you and to hear not only about the activities of the Sister-State Program but also to hear your ideas about the possible ways that the Iowa Legislature could become more involved in international affairs and the information on what other state legislatures have done in this area. I wish to apologize on behalf of Senator Riordan and the Committee for the Committee attendance at the meeting. I guess the task of educating the members on the importance of international affairs/trade to their constituents may be a greater one than I realized.

Again, thank you for your presentation. It was very interesting and the information you provided will be very helpful! I have enclosed copies of the materials provided by the other presenters at the meeting for your reference.

Sincerely,
