Statewide Skilled Iowa Metrics (April 1, 2014)

16.00% 20.00%

4.00%

Image 1

The Skilled Iowa Metrics were designed to measure four different criteria that mirror the initiative's goals. The state, region, county, or city being measured will be identified as a Skilled Iowa Community/Region once 80 percent of the metric goal, in all categories, has been obtained. These metrics are measured and produced on a monthly basis.

Member Businesses Criteria:

Employers around the state can become Skilled Iowa member businesses by committing to recommend the National Career Readiness Certificate (NCRC) in hiring and/or promotion practices for one or more positions within their organization. The member business criteria is two-fold. The first relates to the total number of businesses within the Skilled Iowa designated community. The second is the total number of people that the member businesses employ. The reason these are measured independently is to illustrate that a small number of member businesses can make a huge impact if they employ a very large number of people.

Member Businesses: Goal 10%

o Calculated as the number of member business locations in the region divided by the total number of business locations in the region. The source data comes from the Quarterly Census of Employment and Wages (QCEW).

o *Note: An employer can sign for multiple locations of its business within the state.*

Employment: Goal 20%

o Calculated as the number of people employed by member businesses in the region divided by the total employment in the region. The source data comes from the Quarterly Census of Employment and Wages (QCEW).

Workforce Criteria:

There are also two workforce criteria that are related to the number of NCRCs that have been earned within the region. The first metric relates to the number of employed people that have earned an NCRC, while the second relates to the number of unemployed people that have earned an NCRC.

Current Workforce: Goal 5%

o Calculated as the number of NCRC holders in the region that earned wages in the current quarter of measurement divided by the total employment in the region. The earned wage data comes from the Unemployment Insurance (UI)

wage database, while the total employment comes from QCEW.

o *Note: The "current quarter of measurement" is the most current wage quarter available in the UI wage database, which is typically two quarters previous to the current quarter. Employment status is updated for all NCRC holders at each*

quarter change, so an individual can move between the Current Workforce and Transitioning Workforce metrics.

Transitioning Workforce: Goal 20%

o Calculated as the number of NCRC holders in the region that did not earn wages

in the current quarter of measurement divided by the total unemployment in the region. The earned wage data comes from the UI wage database, while the total unemployment comes from Local Area Unemployment Statistics (LAUS).

o *Note: Since employment is measured with the Iowa UI wage database, NCRC holders that have jobs outside of Iowa or with an employer that doesn't pay unemployment insurance tax will be classified under the transitioning workforce metric. NCRC holders that did not include enough information to match them to the UI wage database are also classified under the transitioning workforce metric.*

 [BATCH PREP PROCEDURES 4-07-14 \(2\).docx](#) (32 Kb HTML)

Mike,

Some staff were questioning whether we should continue to send registrations/reports back to employers or keep reports/registrations and start charging insufficient report penalty. In a recent manager meeting, we made tentative decision to start charging insufficient report penalty after giving employer notice to file online. Attached are the tentative new batch prep procedures and letters to employers.

Steps 3a thru 3f were modified.

Steps 6 and 7 were added.

Letters were modified.

If we have extra time, maybe we can also discuss this direction tomorrow.

6+ months with the new procedure went really fast and this is about the time frame we originally talked about going forward with insufficient report penalty.
 Brandie

BATCH PREP PROCEDURES

Last Updated: 04/07/2014 by Brandie Cummings

1. **Take all tax mail to old Opex and open there, process all items like normal except, pull off:**
 - a. Any envelope with Registration form
 - b. Any envelope with Quarterly Report
 - c. Any envelope with check
 - d. For a-c, put documents inside the envelope
2. **Take exceptional items to batch prep area.**
3. **Batch prep workers must divide the documents (listed in order of priority):**
 - a. **Check, Voucher and Envelope** (some vouchers will need to be created) – Need check first for OPEX
 - If multiple checks are sent with one envelope. Create one voucher for each check. Copy envelope for each check if payments are late.
 - If employer has written notes on the back of the voucher, this will not get scanned in new opex. Copy the notes. Write “Sent with voucher” and account number. Send to be scanned by old Opex.
 - If employers sent other documents, such as waiver request with check, send waiver request to old Opex to be scanned to workflow. Send Check, Envelope and Voucher to new Opex.
 - Create new voucher if ripped or colored ink was used.
 - Create new voucher if voucher was printed too large (on two pages).
 - Create new voucher if voucher was printed horizontally.
 - Sort envelopes by postmark date. If you cannot read postmark date, use check date.
 - If no voucher was sent, Create voucher from voucher template, print and place with check. Search for account number on Employer Search page by Name, Address or Phone.
 - Required fields on voucher: Account Number, FEIN, Legal Business Name (if too long, cut off), Date (postmark date), Amount Remitted (amount on check).
 - If account number and FEIN are on the voucher, no need to validate further.
 - If account number or FEIN is blank, research missing field. Add missing field if available.
 - If account is an applied for account (not in incomplete registration), type 00000000 as the account number and write “No Acct” with initials on the bottom of the voucher (or use stamp).
 - If account is in incomplete registrations, use the incomplete account number in MylowaUI as account number and write “No Acct” with initials on the bottom of the voucher.
 - Put documents in this order: Check, Voucher, Envelope
 - Check should be placed first, with micre line (routing line/account number lines) on the bottom.
 - Voucher should be placed next horizontally with top of voucher on the left.
 - Envelope last, horizontally with bottom facing down.
 - Place checks in groups of no more than 100. Count number of checks in the stack and place number on a sticky note.
 - b. **Form 60-0126 Report to Determine Liability** that is submitted without quarterly report OR submitted with total wages = 0.00 quarterly reports. Do not save registration or quarterly reports. Send registration and quarterly reports back to sender with Letter 1 (below).
 - c. **Form 65-5300 Employer’s Contribution & Payroll Report** that is submitted by an active employer. Process any checks sent with report immediately (step a). Create Letter 2 with mail date, employer name, address, and qtr/yr(s) on standard letterhead. Print two copies. Save one copy with Employer’s Contribution & Payroll Report(s). Send one copy to employer. Save documents by the date in which letter was sent to employer (oldest date to newest date). After *at least* 35 days, see #6 below.
 - d. **Form 60-0126 Report to Determine Liability** that is submitted with quarterly reports with total wages > 0.00. Process any checks sent with report immediately (step a). Create Letter 3 with mail date, employer name, address, and qtr/yr(s) on standard letterhead. Print two copies. Save one copy with paper documents. Send one copy to employer. Save documents by the date in which letter was sent to employer (oldest date to newest date). After *at least* 35 days, see #7 below.
 - e. **Form 65-5300 Employer’s Contribution & Payroll Report** that is submitted by employer without an account number. Enter the postmark/date received on the quarterly report second page. Send to Opex 1 scanner with instructions. If no open workflow for FEIN/Legal Business Name, create New Liability workflow. If quarterly report is submitted for employer with Unclean Registration, Register Employer or Change of Owner workflow, attach to existing workflow.
 - f. **Form 65-5300 Employer’s Contribution & Payroll Report** that is submitted by employer with non-active account. Enter the postmark/date received on the quarterly report second page. Send to Opex 1 scanner with instructions. If there is already a Status Change workflow, attach document to workflow. If not, create Status Change workflow.
 - g. **Checks that needs more research.**
 - Need to validate for checks that don’t belong to tax during batch prep. Checks for OSHA, REVENUE, LABOR other, etc.
 - Provide checks to Amy Reed, back-up Laina Drake to research.
 - If there is no account number and it has a 4 digit number for invoice number and check amount is \$125.00 it belongs to elevator. If SSN# is in the memo line, it is most likely claims overpayment. When TOTALLY in doubt give the corporation or person a call.
 - h. **Lead Worker bucket.** You will need to put all questionable documents in there. Example: 60-0126 including the 60-0111 (Notice of Change) possible change of ownership or corrections needed. Lead Worker(s) will check this box daily.
 - Do NOT put checks with envelopes in this bucket. If check is included, prepare check, voucher and envelope for Opex. Write postmark date, if necessary on other items included in envelope or make copy of envelope.

4. **More Detailed Batch Prep for Paper Quarterly Reports–**
 - a. See Active/Non-Active Status list (Exhibit 1 below).
 - b. Search Workflow by FEIN or Employer Name
 - c. Search Incomplete Registration search
 - d. Use employer search if all other steps fail, search by name and FEIN.
5. **What if envelope with payment is addressed to IWD staff?**
 - a. If envelope is specifically addressed to tax staff member (such as ELS or Field Auditor) with a check, then process check with a voucher, but send a quick email to the tax staff with this information:
 - Account Number
 - Payment Amount
 - Check Number
 - Received Date
 - When we expect the check to be processed in MylowaUI
6. **At least 35 days after sending Letter 2**, Clerk Advanced must determine if quarterly report is already processed.
 - a. **If quarterly report is already processed**, purge quarterly report. Send letter 2 to Opex 1, Scan Only with UI Account Number and FEIN written in top right corner. Should be saved as Document Type = CORGEN.
 - b. **If quarterly report is not already submitted**, create Insufficient Report workflow, assign to yourself.
 - Workflow Reason: Employer sent paper quarterly report. Employer was notified to submit electronically at least 30 days ago. Report now needs to be processed and insufficient report penalty assigned. Insufficient report penalty must be \$35 or 0.1% of total wages, whichever is greater.
 - Clerk advanced, scan quarterly report(s) and letter, attach to workflow.
 - Process quarterly report(s). Assign an insufficient report penalty for each quarterly report processed by staff. If you do not have access to add penalty, forward workflow to your manager. Each quarterly report is assigned an insufficient report penalty if multiple reports were sent by paper at the same time.
7. **At least 35 days after sending Letter 3**, Clerk Advanced must determine if Registration is already submitted by employer.
 - a. **If there is an Unclean Registration workflow or account is set up and quarterly reports are submitted**, purge registration and quarterly reports. Send letter 3 to Opex 1, Scan Only with UI Account Number and FEIN written in top right corner. Should be saved as Document Type = CORGEN.
 - b. **If account is already set up in MylowaUI, but quarterly reports are not submitted**, follow step #6 b above.
 - c. **If there is no unclean registration workflow or account set up**, create New Liability workflow and assign to Field Auditor.
 - Workflow Reason: Registration and quarterly reports were sent by paper. Investigate registration. If necessary, set up account and submit quarterly reports based on attached documentation. When reports are processed, add insufficient report penalty. Insufficient report penalty must be \$35 or 0.1% of total wages, whichever is greater. If you do not have access to add penalty, forward workflow to your manager.
 - Clerk Advanced scan new registration, quarterly report(s) and letter, attach to workflow.

Exhibit 1 – Active vs. Non-Active Status

Look at Current Status to determine if account is active or non-active.

ACTIVE STATUS	NON-ACTIVE STATUS
Full Mandatory Successor	Automatic Inactivation
Full Merger	Closed
Full Successor	Duplicate Account
New Liability	Full Mandatory Merger
Partial Mandatory Successor	Full Mandatory Predecessor
Partial Predecessor	Full Predecessor
Partial Mandatory Predecessor	Non-Liable
Partial Successor	Operating Without Employees
Reactivation	Set up in Error
Reset	Temporarily/Seasonally Closed
Reinstatement	Terminated
Wind-down	

Letter 1 – Send to employers who submitted Form 60-0126 without quarterly reports or with zero wage reports.

Integrity: Getting to Excellence
2014 Unemployment Insurance Integrity Summit
May 13-14, 2014

Greetings UI Colleagues:

Welcome to the 2014 Unemployment Insurance (UI) Integrity Summit!

The UI program has been hard at work over the last several years developing new strategies designed to improve program integrity. One of the key strategies is strengthening state ability to collaborate on solutions we can share. These solutions will assist in meeting our goals of preventing, detecting, and recovering improper payments. One of the major projects that will help us in accomplishing this collaborative goal is the establishment and work of the UI Integrity Center of Excellence. The Center's goal is to assist states by developing and promoting innovative strategies and tools in areas such as data analytics/predictive modeling, increasing staff capacity through training programs, developing collaborative tools such as a web portal, and support of new regional pilot projects. The Center exists to serve you as its customers.

States have already made significant progress in implementing integrity strategic plans to prevent, detect, and recover UI improper payments by targeting the largest root causes of overpayments. You achieved this by carefully balancing scarce capacity and resources amidst increasing workload demands, new program design changes, and the challenges of Sequestration. However, we still have more work to do as the UI program's improper payment rate remains out of compliance. The plenary sessions and workshops featured over the next two days were guided by input from your states and the Center. These sessions will feature improper payment strategies that can help you in aggressively targeting and preventing improper payments. Center staff will be available at most sessions as panelists or co-moderators and will introduce themselves. Be sure to share your ideas and concepts with them. We are hopeful that these sessions and engagement with your colleagues and the Center will also foster new ideas and strategies to help improve the integrity of our program.

In the spirit of "everyone owns integrity," thank you for your continued hard work to prioritize the reduction of UI improper payments. We hope the next two days prove valuable as you exchange promising practices that can help carry our positive momentum forward.

Thank you for your commitment to the UI program and let's have a great Summit!

Gay Gilbert, Administrator

Princella Learry, Director

Office of Unemployment Insurance

New York State Department of Labor

U.S. Department of Labor

National UI Integrity Center of Excellence

8:30 a.m. – 9:00 a.m. Summit Registration Cesar Chavez Auditorium Entrance

9:00 a.m. – 9:30 a.m. Opening Plenary Sessions

Welcome and Opening Remarks Cesar Chavez Auditorium

The 2014 UI Integrity Summit offers attendees the opportunity to hear from states and the U.S. Department of Labor (USDOL) about efforts to address improper payments in the unemployment insurance (UI) program. Mr. Seleznow and Ms. Gilbert will welcome participants and set the stage for the Summit, speaking to the Department's efforts to strengthen the integrity of the UI system and the importance of the federal-state UI partnership in implementing and promoting strategies designed to prevent, detect and recover UI improper payments.

Speakers: *Eric Seleznow, Deputy Assistant Secretary, U.S. Department of Labor (USDOL), Employment and Training Administration (ETA)*

Gay Gilbert, Administrator, USDOL ETA, Office of Unemployment Insurance

9:30 a.m. – 10:45 a.m. Putting Your Data to Work: Predictive Modeling Strategies Cesar Chavez Auditorium

While data-mining shortens the time needed to identify potential fraudulent claims, it's still a hands-on, intensive process. The next tool that accelerates fraud detection is predictive data analytics. Predictive analytics uses programming to identify data and extract connected information to predict trends and/or behavior patterns. The core of predictive analytics relies on capturing relationships between known data and the predicted variables from past occurrences, and exploiting them to predict fraud issues. Our panel will discuss their experiences as they transition to predictive data analytics for UI fraud detection.

Moderator: *Debbie Walsh, Kentucky Education and Workforce Development Cabinet*

Panelists: Steve Zuelke, *Nevada Department of Employment, Training and Rehabilitation*

Joshua Hawkins, *Utah Department of Workforce Services*

David Eklund, *Iowa Workforce Development*

Ray Wedgeworth, *U.S. Department of Health and Human Services*

10:45 a.m. – 11:00 a.m. Break

11:00 a.m. – 12:15 p.m. On the Road to Success: State Integrity Projects Cesar Chavez Auditorium

South Carolina, Nebraska, and Maine will discuss stories of success in implementing strategies to enhance their integrity efforts. Representatives from the three states will highlight key initiatives they implemented that have resulted in a reduction in improper payments.

Moderator: Betty Castillo, *USDOL ETA, Office of Unemployment Insurance*

Panelists: Ryan Sneed, *South Carolina Department of Employment and Workforce*

Evan Littrell, *Nebraska Department of Labor*

Kristi Burns, *Maine Department of Labor*

12:15 p.m. – 1:45 p.m. Lunch – On Your Own

1:45 p.m. – 3:00 p.m. Workshops (Room C5515-1A available as overflow room)

Prisoners Are Not Collectors (1) N3437

It's time to stop our jail and prison population from collecting unemployment benefits! The Social Security Administration will describe the administration of PUPS program and how it could be useful to state agencies. Wisconsin will describe how PUPS has worked for them and New York and Pennsylvania will describe their own innovative strategies to prevent prisoner related UI theft.

Moderators: David Martin, *USDOL, Boston Regional Office*

Princella Learry, *UI Integrity Center of Excellence*

Panelists: Judith Sale, *Social Security Administration*

Jason Schunk, *Wisconsin Department of Workforce Development*

Stacy Bletz, *Pennsylvania Department of Labor and Industry*

New Sides of SIDES: New Modules and UI Integrity (1) N5437-A/B

The State Information Data Exchange System (SIDES) is a national system developed by the USDOL, a consortium of states, and the National Association of State Workforce Agencies (NASWA) to allow employers to communicate with UI departments electronically instead of by paper. SIDES is mainly associated with the exchange of separation information, as it was the first format developed, but SIDES is a whole lot more. Come see the National SIDES Team discuss the new SIDES formats including Monetary and Potential Charges, Earnings Verifications, Billing and Charge Notices, and Determinations and Decisions, and discuss their important integrity functions. Each format will be presented by the SIDES team followed by a group discussion on its uses and potential changes and additions.

Moderator: Chris Peretto, *NASWA/Information Technology Support Center (ITSC)*

Panelists: David Zemel, *NASWA/ITSC*

Are They Who They Say They Are? Identity-Proofing Strategies C5320-6

Identity theft is the fastest growing financial crime in America. With 98 percent of Unemployment Insurance initial claims or certifications filed over the Internet or over the phone, the perpetrators are often quite elusive. During this workshop, learn approaches to fighting this growing problem from the state of New Jersey and the state of Georgia. New Jersey will discuss the development of an "Identity Verification" solution, to reduce identity theft. Georgia will describe the current practices they are using to verify the identities of individuals who file unemployment claims.

Moderators: Steffanie Belmonte, *USDOL, Chicago Regional Office*

Jim Konicki, *New York State Department of Labor*

Panelists: Ron Marino, *New Jersey Department of Labor and Workforce Development*

Charles J. Walkowiak, *New Jersey Department of Labor and Workforce Development*

Racquel Robinson, Georgia Department of Labor

Putting Your Cross-Match Data to Work: An Investment that Pays Off! S4215

Staff from the UI Integrity Center of Excellence and the State of Iowa will provide information on cross-matching solutions that are demonstrating a return on investment. The UI Center will discuss major types of matching solution and their implementation, and an example of New York State's implementation of an advanced record linkage to create a comprehensive view of a company's legal status. Iowa will discuss how they are using cross-matches to prevent, detect, and recover improper payments.

Moderator: *Brian Hart, USDOL, Dallas Regional Office*

Panelists: *Jon Rickert, UI Integrity Center of Excellence*

Gary Bateman, Iowa Workforce Development

3:00 p.m. – 3:15 p.m. Break

3:15 p.m. – 4:30 p.m. Workshops Continued (Room C5515-1A available as overflow room)

Prisoners Are Not Collectors (2) N3437

It's time to stop our jail and prison population from collecting unemployment benefits! The Social Security Administration will describe the administration of PUPS program and how it could be useful to state agencies. Wisconsin will describe how PUPS has worked for them and New York and Pennsylvania will describe their own innovative strategies to prevent prisoner related UI theft.

Moderator: *David Martin, USDOL, Boston Regional Office*

Panelists: *Judith Sale, Social Security Administration*

Jason Schunk, Wisconsin Department of Workforce Development

Stacy Bletz, Pennsylvania Department of Labor and Industry

UI Integrity Training Show-and-Tell (1) C5320-6

In the summer of 2013, NASWA conducted a survey of its members to gain insight into the UI integrity training activities and needs of states. Preliminary information indicated that states were engaged in a wide variety of activities to reduce fraud and over-payments, and provided valuable insight into training programs that are needed but not yet planned. The results of this survey will be discussed. In addition, the States of Alabama and Louisiana and Alabama will provide an overview of their current UI integrity training and education processes that have enabled the states to improve customer service, increase efficiency, and reinforce that "everyone owns integrity."

Moderators: *Ann Thomas, USDOL, Atlanta Regional Office*

Esterina Adams, UI Integrity Center of Excellence

Panelists: *Jim Van Erden, NASWA*

Thomas Daniel, Alabama Department of Labor

Margaret Mabile, Louisiana Workforce Commission

Days of Our Lives in BPC: Stories of Quality Operations S4215

This session will focus on examples of best practices in state Benefit Payment Control (BPC) operations. Delaware will present a brief history of its BPC operation and how it meets and exceeds expectations. Virginia will describe specific BPC activities that have helped improve the state's improper payment rate. Finally, Utah will detail its new BPC organizational structure, discuss new workflow changes, and provide an overview of some promising practices.

Moderators: *Paul Fox, USDOL, Philadelphia Regional Office*

Jon Rickert, UI Integrity Center of Excellence

Panelists: *Jane Brennan, Delaware Department of Labor*

Tanisha Stewart, Delaware Department of Labor

Roy Bryant, Virginia Employment Commission

Jody McMillan, Utah Department of Workforce Services

UI Integrity – Leading the Way with the Center of Excellence: Discussion with State UI Directors C5515-2

This session for state UI Directors will provide an opportunity to engage leadership from OUI and the UI Integrity Center of Excellence. The Center is reaching out to UI Directors across the nation to identify successful practices and share innovative strategies. States will have the chance to discuss additional opportunities to strengthen the relationship with USDOL and the Center. The session will also include information on the Center's core deliverables, and an interactive discussion of how states are sustaining momentum in addressing UI improper payments.

Speakers: **Gay Gilbert**, *Administrator, USDOL ETA, Office of Unemployment Insurance*

Jim Konikci, *New York State Department of Labor*

Princella Learry, *UI Integrity Center of Excellence*

4:30 p.m. – 5:15 p.m. USDOL Regional Breakout Discussions

Benefit Payment Control staff are available to discuss regional issues and updates.

Region 1 – David Martin, *USDOL, Boston Regional Office* **N3437**

Region 2 – Paul Fox, *USDOL, Philadelphia Regional Office* **N3437**

Region 3 – Ann Thomas, *USDOL, Atlanta Regional Office* **S4215**

Region 4 – Brian Hart, *USDOL, Dallas Regional Office* **C5320-6**

Region 5 – Steffanie Belmonte, *USDOL, Chicago Regional Office* **N5437-A/B**

Region 6 – Steve Narolewski, *USDOL, San Francisco Regional Office* **C5515-2**

5:15 p.m. Adjourn

9:15 a.m. – 9:30 p.m. Welcome Back Cesar Chavez Auditorium

Speaker: **Gay Gilbert**, *Administrator, USDOL ETA, Office of Unemployment Insurance*

9:30 a.m. – 10:45 a.m. Plenary Sessions

Working with the Office of Inspector General to Prevent Fraud Cesar Chavez Auditorium

Strengthen your state's relationship with the U.S. Department of Labor's Office of the Inspector General. Learn which types of UI fraud cases are being prosecuted and discover the different ways your state can partner with the OIG.

Moderator: **Tom Crowley**, *USDOL ETA, Office of Unemployment Insurance*

Panelist: **Michael Barcus**, *USDOL-OIG*

Anne Thomas, *USDOL-OIG*

Michael Kulyk, *New Jersey Department of Labor and Workforce Development*

10:45 a.m. – 11:00 a.m. Break

11:00 a.m. – Noon MSDES and UI Integrity Cesar Chavez Auditorium

The Military-State Data Exchange System (MSDES) was developed to improve, streamline, and automate Unemployment Compensation for Ex-servicemembers (UCX) claims filing and billing. The MSDES system makes UCX claim filing and billing significantly more efficient by allowing the various branches of the military and the states to electronically communicate with each other instead of being reliant on a paper-based system. USDOL will provide the background and specifications on how MSDES can improve program integrity, and New Hampshire will discuss their participation in the MSDES pilot.

Moderator: **Steffanie Belmonte**, *USDOL, Chicago Regional Office*

Panelists: **Stephanie Garcia**, *USDOL ETA, Office of Unemployment Insurance*

Dianne Carpenter, *New Hampshire Employment Security*

Noon – 1:30 p.m. Lunch – On Your Own

1:30 p.m. – 2:45 p.m. Workshops (Room C5515-1A available as overflow room)

On the Road to Success 2: State Integrity Projects **N5437-A/B**

New Jersey, Wisconsin, and Alabama will discuss stories of success in implementing strategies to enhance their integrity efforts. Representatives from the three states will highlight key initiatives they implemented that have resulted in a reduction in improper payments.

Moderator: Subri Raman, *USDOL ETA, Office of Unemployment Insurance*

Panelists: Charles J. Walkowiak, *New Jersey Department of Labor and Workforce Development*

Amy Banicki, *Wisconsin Department of Workforce Development*

Ellen Bura, *Alabama Department of Labor*

Return to Sender: Overpayment Recovery Solutions (1) N3437

This workshop will feature programs currently available and in use by some states for the recovery of UI overpayments. While many state UI agencies are currently participating in the Treasury Offset Program (TOP), there are other Federal payment streams available to states who participate in the State Reciprocal Program (SRP), specifically Federal vendor payments. Treasury-Fiscal Service will discuss the necessary steps to participate in SRP and the benefits states receive through their participation. In addition, the States of Nebraska and Arizona will present successful overpayment collection methods and strategies.

Moderator: Paul Fox, *USDOL, Philadelphia Regional Office*

Panelists: Thomas Kobielus, *U.S. Department of the Treasury*

David Burgess, *U.S. Department of the Treasury*

Evan Littrell, *Nebraska Department of Labor*

Cassidy Taylor, *Arizona Department of Economic Security*

Debit Card Fraud Prevention S4215

This session will focus on various aspects of debit card fraud including detection, investigation, prevention strategies, and prosecution in the UI program. Attendees will hear presentations from the states on pre-paid debit card fraud and fictitious employer investigations, hurdles to administration and to investigations, and emerging issues. In addition, the USDOL-OIG will provide their perspective on UI debit card fraud scheme investigations, suggest potential solutions, and discuss investigation duration and prosecution challenges. Finally, USDOL will discuss some potential solutions that have come to its attention.

Moderator: Steve Narolewski, *USDOL, San Francisco Regional Office*

Panelist: Larry Ingram, *Idaho Department of Labor*

Jim Konicki, *New York State Department of Labor*

Steve Sheehan, *California Employment Development Department*

Michael Kwak, *USDOL-OIG*

Tom Crowley, *USDOL ETA, Office of Unemployment Insurance*

A Perfect Match! Strategies for Working Cross-Match Hits C5515-2

Staff from the States of Texas and Oregon will provide information on effective and innovative strategies for states to work through cross-match "hits." Texas will present on two projects that have evolved from a "detect, establish, and collect" methodology to one that leverages near-real time information to "prevent" UI improper payments. Oregon will present its efforts to automate cross-match procedures for working hits identified through New Hire, Incarceration, and Foreign IP matches.

Moderators: Brian Hart, *USDOL, Dallas Regional Office*

Jon Rickert, *UI Integrity Center of Excellence*

Panelists: Jerry Ramos, *Texas Workforce Commission*

James Terrusa, *Oregon Employment Department*

2:45 p.m. – 3:00 p.m. Break

3:00 p.m. – 4:15 p.m. Workshops (Room C5515-1A available as overflow room)

New Sides of SIDES: New Modules and UI Integrity (2) C5515-2

The State Information Data Exchange System (SIDES) is a national system developed by the USDOL, a consortium of states, and the National

Association of State Workforce Agencies (NASWA) to allow employers to communicate with UI departments electronically instead of by paper. SIDES is mainly associated with the exchange of separation information, as it was the first format developed, but SIDES is a whole lot more. Come see the National SIDES Team discuss the new SIDES formats including Monetary and Potential Charges, Earnings Verifications, Billing and Charge Notices, and Determinations and Decisions, and discuss their important integrity functions. Each format will be presented by the SIDES team followed by a group discussion on its uses and potential changes and additions.

Moderator: Chris Peretto, *NASWA/ITSC*

Panelists: David Zemel, *NASWA/ITSC*

Return to Sender: Overpayment Recovery Solutions (2) N3437

Thomas Daniel, *Alabama Department of Labor*

Margaret Mabile, *Louisiana Workforce Commission*

Sending a Message: Claimant and Employer Messaging Strategies N5437-A/B

With a strong messaging program aimed at claimants and employers state agencies can dramatically reduce costly overpayments. In this workshop you'll hear from the D.C. Department of Employment Services describe how they used Facebook, Twitter, bus advertisements and more to send the message to claimants and employers of the consequences of UI fraud. Also come hear how the Maine Department of Labor informs claimants of the work search audit program in their messaging.

Moderators: David Martin, *USDOL, Boston Regional Office*

Esterina Adams, *UI Integrity Center of Excellence*

Panelists: Monnika Madison, *D.C. Department of Employment Services*

Daryle Dudzinski, *Connecticut Department of Labor*

Skip Tomkins, *Maine Department of Labor*

4:15 p.m. Adjourn

Directions to the U.S. Department of Labor, Frances Perkins Building

Obtaining a Farecard to ride the Subway (Metro)

Farecards must be used to enter Metro stations. The amount of the fare is determined by the length of the ride and the time of day. Your final destination for the UI Integrity Summit is Judiciary Square located on the Red Line. For those of you staying at the Embassy Row Hotel, you will take the Metro from DuPont Circle to Judiciary Square. The fare for that one-way trip during normal (peak) travel is \$2.10, if you purchase a SmarTrip card for \$2.00. However, if a paper Farecard is used there is an additional \$1.00 surcharge.

Arriving here	Lines Served	Peak Fare	Off-Peak Fare	Miles	Time
Judiciary Square	Red	\$2.10	\$1.70	1.84	6

Refer to the information booth located by the Metro gates in each station. Follow the instructions on the Metro vending machines located near the turnstiles to obtain a paper Farecard. The machines take both cash and credit/debit cards. If you have any issues, you may ask for assistance from the station manager in the center booth.

SmarTrip cards may be purchased in advance online at the following link: <http://www.wmata.com/fares/purchase/passes.cfm>. To add money to a SmarTrip card, follow the instructions on the Metro vending machines located near the turnstiles.

Riding the Train

1. When you arrive at the gate in the station, insert your farecard in the front of the machine (faregate) and then take it from the top of the faregate to open the gate. Note: you can only use gates that have a green arrow in front of it. Also the farecard has an arrow on it to indicate the correct way to insert the card.
2. For SmarTrip users, you simply touch the SmarTrip card to the circular targets on top of or inside station faregates.
3. If you are coming from the Embassy Row Hotel in DuPont Circle, take the train in the direction of Glenmont. The train may say Silver Spring or Glenmont. Both trains will get you to Judiciary Square. If you are catching the train from another Metro station, refer to the Metro map located in each station or visit the station manager in the center booth for directions.
4. When you arrive at Judiciary Square, exit towards the sign that says 4th Street/Court House. If you are coming from the direction of DuPont Circle, this exit will be to your left when you exit the train.
5. Repeat the process for going through the gates and exit the station via the escalators.

Walking to the Frances Perkins Building

(<https://maps.google.com/maps?hl=en&ll=38.893972,-77.014498&spn=0.004781,0.009972&t=m&z=18>)

1. When you exit the station, walk straight and cross D Street.
2. The large brown building to your left is the Frances Perkins Building. You cannot go through this entrance, so you have to walk along the side of the building. You will see a guard post next to the crosswalk.
3. Cross 3rd street to the fountain entrance at the corner of 3rd St. N.W. & C St. N.W.
4. Enter the building up the stairs on the far left of the fountain entrance by the sign that says 2014 National Unemployment Insurance Integrity Summit.
5. When you enter the building, immediately head for the metal detectors. The guards have a list of attendees and will provide further instructions.
6. Follow signs to registration table.

Restaurants and Food Establishments in the FPB Area

(March 2014)

Most Convenient Locations

6th Floor Cafeteria - (hours 7:00am to 2:00pm)

4th Floor Snack Bar - (hours 7:30am to 4:00pm)

Capital Café - Second Street NW; Basement of Carpenters' Building; Sandwiches and hot buffet

Hamilton's - 233 Second Street NW

Momoyama - Next Door to Hamilton's; Second Street NW; Sushi bar

Firehook Coffee & Bakery - Near Judiciary Square Metro Stop; Bakery, coffee & salads

Canyons Burgers - Inside the One Judiciary Square building next to the Judiciary Square Metro station.

Baja Fresh Express - Inside the One Judiciary Square building next to the Judiciary Square Metro station.

Uno Express - Inside the One Judiciary Square building next to the Judiciary Square Metro station.

Federal Courts Bldg. Cafeteria - Across the St from USDOL Main Entrance; First Floor, looks out over Constitution Ave; No Camera Cell Phones

A Short Walk

West Wing Café – 300 New Jersey Avenue, NW; Sandwiches and Sushi

Sun Spot Café - 440 1st Street, NW; Near National Association of Counties (NACO); Greek Food

US Capitol Cafeterias - House Cafeteria – Longworth Building, (enter on the west side); House Cafeteria - Rayburn Building (enter from front, north side)

Johnny's - 601 Pennsylvania Avenue, NW; Deli and small hot buffet, Sandwiches

Teaism - Penn Quarter 400 8th Street NW; Asian Style Deli and Tea Room; Bento Boxes available & afternoon tea (2:30 pm)

Gallery Cafeterias (can be pricey)

National Gallery of Art Cafeteria - Constitution between 3rd and 4th Streets; Enter from wing closest to the Capitol Bldg., Cascade Café, East Bldg. Concourse Level; Also has an Espresso and Gelato Bar

American Indian Museum - Fourth Street & Independence Ave, SW; Mitsitam Café (first level) serves meals and snacks based on the indigenous foods of the Americas.

Union Station

Food Court - Variety of food; first and basement level

America, B. Smith's, Center Café, East Street Café, Station Grill, Thunder Grill, and Uno Chicago Grill.

Food Trucks – Massachusetts Avenue; across from the National Postal Museum.

Chain Favorites

Cosi - 6th and Indiana Avenue NW

Au Bon Pain - 6th and Indiana Avenue NW

PotBelly Sandwich Works - Several locations; 2 Closest: 7th & G Streets (726 Seventh St., NW); 7th & Indiana St. (637 Indiana St., NW)

Subway Sandwiches & Salads - Closest location: 501 D St NW (0.34 miles away)

Mc Donald's - Closest location: 450 5th St NW (0.37 miles away)

Burger King - Closest location: 501 G St NW (0.52 miles away)

Restaurants

Kanlaya Thai Cuisine - 740 6th St NW (0.60 miles away)
