## EXPLANATION OF VOTE

MADAM PRESIDENT: I was present in the Senate Chamber on Thursday, March 12, 2015, when the vote was taken on [Senate File 166](#). I was present and I voted "Yea." My vote yea represented an inadvertent and accidental use of the green button (Yea), when in fact I had intended to utilize the red button (Nay) in the vote. The President of the Senate had closed the voting system prior to my being able to change my vote. Let it herein be noted that I was not in favor of final passage of [Senate File 166](#).
