A BILL FOR

An Act relating to the inventory of lands managed or owned by the department of natural resources or a county conservation board, and including applicability provisions.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

Section 1. 2018 Iowa Acts, chapter 1172, section 44, subsection 1, is amended to read as follows:

1. a. By December 1, 2018, the department of natural resources shall submit a report to the general assembly including all financial assistance provided to private entities for the acquisition of land and an inventory of all land managed or owned on behalf of the state by the department.

b. The department shall maintain the inventory created in paragraph "a" on the department's internet site and update the inventory within sixty days of the department acquiring new property or acquiring a management interest in any property. The department shall also update the inventory within sixty days of receiving a report of a county conservation board's acquisition of property as required under paragraph "c". The inventory shall include the common name, county, acres acquired, seller, year of acquisition, price paid, federal moneys used, state moneys used, county moneys used, and the manager of all land owned or managed by the department or by a county conservation board.

c. Each county conservation board shall regularly submit to the department in a manner determined by the department and consistent with section 350.4, subsection 3, an inventory of all land owned or managed by the respective county conservation board.

Sec. 2. APPLICABILITY. The requirement for the inventory maintained pursuant to this 2022 Iowa Act to include the price paid or the seller of land owned or managed by a county conservation board shall not apply to land acquired by a county conservation board prior to the effective date of this 2022 Iowa Act.
