A BILL FOR

An Act relating to public parking meters.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

Section 1. NEW SECTION. **321.361A Public parking meters — requirements.**

A parking meter used to regulate the standing or parking of vehicles and operated or maintained by or on behalf of a state entity or local authority, whether the meter accepts payment at the meter, at a kiosk, or through an internet application, must comply with all of the following:

1. The parking meter must authorize the use of a parking space by all users for the duration purchased, regardless of whether the purchasing user vacates the parking space prior to the expiration of the purchased [duration, or provide the user with the option to only pay for the specific duration the user occupied the parking space.]

2. The parking meter, kiosk, or internet application, as applicable, must display the remaining purchased duration for the parking space from a prior user, if any, and allow a new user to purchase additional time for the parking [space, or provide the user with the option to only pay for the specific duration the user occupied the parking space.]

[3. The duration charged must only apply to the specific parking space occupied by the user's vehicle. The duration charged shall not apply to a specific registration plate number or similar means of identification of the user's vehicle occupying the parking space.]
