

and structure of such dams as would be necessary for said improvement. Added to the importance of the navigation of said stream, would be the vast quantity of hydraulic power obtained by the construction of dams, which alone would be of incalculable value to the country through which it passes, being almost destitute of those advantages from other sources; therefore,

*Resolved by the Council and House of Representatives of the Territory of Iowa*, That our delegate in congress be requested to solicit and use his best exertions to obtain an appropriation by congress for the purpose of paying the expense of a survey of said river by a corps of engineers under the authority of the United States, and also for an appropriation of one hundred thousand dollars, to be made either in money or land, for the purpose of improving the navigation of the same.

*And be it further resolved*, That the governor of this territory be requested to forward five copies of the above preamble and resolutions, one to the president of the senate, one to the speaker of the house of representatives, one to the secretary of war, one to our delegate in congress, and one to the governor of Missouri, with a request that he will transmit a copy of the same to the honorable members in congress from the said state of Missouri, soliciting their aid in behalf of the appropriation for the proposed improvement.

Approved December 14, 1839.
