

CHAPTER 7.

CONSTRUCTION OF SEWERS.

AN ACT Granting Additional Powers to certain Cities of the First Class in the Construction of Sewers and to provide for the Payment of the Costs of the same, and to Repeal a part of Section 10 of Chapter 25 of the Acts of the Twentieth General Assembly.

Be it enacted by the General Assembly of the State of Iowa:

SECTION 1. That all cities of the first class that have been organized under the general incorporation laws of the State since the first day of January 1881, shall have power to levy a tax not exceeding five mills on the dollar of the assessed valuation of all taxable property within such cities for the purpose of creating a fund to pay the cost and expense incurred by such cities for the purpose of constructing sewers at the intersections of streets, highways, avenues, alleys or other places, where the costs and expenses incurred are not assessable against the fronting, abutting, or adjacent property as now provided by law, and to enable such cities to make such sewer improvements at intersections as aforesaid or to include and pay a part of the costs assessable against private property as is provided in section one (1) of chapter 162 acts of the Twentieth [Twentieth] General Assembly.

A tax not to exceed 5 mills may be levied for sewer purposes.

SEC. 2. That such cities shall have the power to anticipate said sewer tax and the collection of the same and to issue city sewerage bonds based on the anticipated levy and collection of said tax, which said bonds when so issued, to run for a period not exceeding twenty years and to create a sinking fund for the payment of said bonds with accrued and accruing interest and principal by the levy of such taxes therefor as now authorized by law a part of the revenue of which to be appropriated for the payment of said bonds out of said sinking fund as the city council shall provide by ordinance.

City sewerage bonds may be issued.

Approved April 18, 1888.
