#### JOINT RESOLUTION No. 19.

*Whereas,* The people of Iowa have erected a monument to express their appreciation of the courage, patriotism, and sacrificing devotion of the men who braved all danger, and in so many instances met death in order that national supremacy might be maintained and free institutions preserved; and,

*Whereas,* Objections having been made to the manner in which the commissioners, who had the erection of the monument in charge, have executed their trust; and,

*Whereas,* The completion of the monument requires additional directions; therefore,

*Be it resolved by the General Assembly of the State of Iowa:*

First. That the commission be directed not to place upon the monument any medallion portrait of any person, living or dead, as such special recognition exalts one soldier above another of equal or more deserving record.

Second. That the commission be directed to have inscribed upon the monument the name of each regiment and organization, the number of men enlisted, and the date of its muster and discharge.
