In cities having a population of over twenty-five thousand said board is further authorized in its discretion to certify to the county auditor in the year 1907, and cause to be collected an additional tax for park purposes of one mill on the dollar on all taxable property of the city, but the power to levy such additional tax shall cease at the end of the year above specified.

**SEC. 5. Park fund—how expended.** No money of this fund shall be appropriated or expended for any purpose except as provided in this chapter.

Such fund may be used in purchasing or acquiring real estate for park purposes including streets or highways to connect one park with another or to connect a park with streets or highways or for other purposes necessary and incident to the establishment and maintenance of parks and paving streets adjacent thereto and for the purpose of improving and maintaining the same and defraying the necessary expenses connected therewith, including the compensation of the board, its officers and employes and when any annual tax or part thereof has been pledged for the payment of any bonds or the interest thereon, such tax or part thereof shall be devoted to no other purpose. For the purpose of paying for real estate it may issue bonds for such sums and amounts as found necessary but the aggregate annual interest of all bonds issued by it and at any time outstanding shall not exceed one-fifth of the amount of the annual tax authorized by this chapter.

**SEC. 7. It shall have the power to regulate or forbid the erection of poles or the stretching of wire for electric light, street railway, or other corporations or persons in such parks or in or along streets, highways or over public places laid out or controlled by it.

**SEC. 11. Park districts—condemnation of property.** Where any such city shall contain more than one organized township, at least one commissioner shall be a resident of each of said townships, and unless all of the commissioners shall agree upon the location of one park for a whole city, each township shall constitute a separate park district, and the proceeds of any bonds shall be apportioned to and expended in each district, in proportion to the tax levied thereon, and all funds received from taxes collected shall be expended in the same manner. If said board and the owners of any property desired by it for park purposes cannot agree as to the price to be paid therefor, it may cause the same to be condemned in the manner provided for taking land for municipal purposes.

**SEC. 13. How expended.** Said fund so appropriated shall be expended under the direction of a committee of three persons, consisting of the mayor, one member of the council appointed by the council, and one resident property owner of such city or town appointed by the council, which committee shall receive no compensation for their services.
