## UNION TOWNSHIP, CASS COUNTY

S. F. 316

AN ACT to legalize the levy, assessment, collection and transfer of certain school taxes in Union township, Cass county, Iowa from the school house fund to the general fund.

WHEREAS, the secretary of the school board of Union township in Cass county, Iowa, erroneously certified to the board of directors of Cass county, Iowa, a tax of eleven and one-tenth (11.1) mills for school house purposes in July, 1922, and

WHEREAS, the board of directors of the school district of Union township in Cass county, Iowa did not authorize the certification of said tax for school house purposes, and

WHEREAS, said tax was levied and entered against the property in Union township in said county and said tax was collected and is now in the hands of the county treasurer of said county, and

WHEREAS, the fund created by said levy cannot be used in said school district for school house purposes, and

WHEREAS, no claims have been filed for the payment of taxes erroneously assessed and said fund will therefore lie idle and be of no benefit to the taxpayers of said school township, and

WHEREAS, the board of directors of the school district of Union township at their regular annual meeting on the 17th day of March, 1923 by resolution authorized the treasurer to transfer the money collected by reason of said tax levy for school house purposes to the general fund, and

WHEREAS, the general fund of said school district will be depleted such that it will be unable to continue the schools therein during the school year commencing July 1, 1924 unless the school house fund herein described is transferred to the general fund, due to the fact that the board of directors of said school district failed to certify a tax to the board of supervisors in July, 1923 for the reason that said board was under the impression that it could by resolution transfer the school house fund to the general fund, and

WHEREAS, said school house fund cannot be otherwise transferred except by a majority vote of the electors in said school township at the annual meeting provided by law to be held in March, 1925, now, therefore,
