

CHAPTER 140

STOCKYARDS' WASTE MATERIALS

S. F. 490

AN ACT relating to the boiling of waste materials from stockyards.

Be It Enacted by the General Assembly of the State of Iowa:

1 SECTION 1. Section one hundred sixty-three point twenty-six
2 (163.26), subsection three (3), Code 1958, is hereby amended by
3 striking in line six (6) the word "stockyards,".

1 SEC. 2. Section one hundred sixty-three point twenty-six (163.26),
2 subsection three (3), Code 1958, is hereby further amended by strik-
3 ing the period at the end of line nine (9) and inserting the following:
4 " , except grain not consumed, that is collected from hog sales pen floors
5 in public stockyards and fed under the control of the department of
6 agriculture."

1 SEC. 3. This Act, being deemed of immediate importance, shall be
2 in full force and effect from and after its passage and publication in
3 the Sioux City Journal, a newspaper published at Sioux City, Iowa,
4 and in the Sioux Center News, a newspaper published at Sioux Cen-
5 ter, Iowa.

Approved April 8, 1959.

I hereby certify that the foregoing Act, Senate File 490, was published in the Sioux City Journal, Sioux City, Iowa, April 10, 1959, and in the Sioux Center News, Sioux Center, Iowa, April 16, 1959.

MELVIN D. SYNHORST, *Secretary of State.*

CHAPTER 141

IMPORTATION OF SWINE

H. F. 318

AN ACT to regulate and control importation of swine into Iowa.

Be It Enacted by the General Assembly of the State of Iowa:

1 SECTION 1. After July 1, 1959, no swine other than purebred shall
2 be imported into Iowa for feeding or breeding purposes without first
3 having affixed in either ear of each animal a numbered tag and ac-
4 companied by a health certificate issued by a qualified veterinarian.
5 A copy of the health certificate shall be promptly forwarded to the
6 animal industry division of the Iowa department of agriculture. Such
7 certificate shall include a statement showing that the swine have been
8 inspected within ninety-six hours prior to the time of importation and
9 that there are no symptoms of any infectious, contagious or com-
10 municable disease, and a statement that the swine have been vac-
11 cinated against hog cholera by the method described by statute, not
12 less than ten (10) days prior to the date of entry into Iowa, unless a
13 permit allowing importation subject to immunization upon arrival
14 has been obtained. The health certificate shall further include the ear

15 tag numbers of all swine in the shipment. Provided, however, that if
 16 the name of the importer is shown on the ear tag the number of the
 17 ear tag need not be placed on the health certificate, if such importer
 18 keeps available for inspection by the secretary of agriculture, or his
 19 authorized agent, a record of the name and address of the producer
 20 of all such animals for a period of at least one year after the date of
 21 entry of the animals into Iowa.

22 Blanks for health certificates and ear tags shall be furnished by the
 23 department of agriculture at cost, when applied for by the importer.

Approved April 27, 1959.

CHAPTER 142

MARKING LIVESTOCK

H. F. 48

AN ACT to amend section one hundred sixty-four point nine (164.9), Code 1958, relating to marking stock.

Be It Enacted by the General Assembly of the State of Iowa:

1 SECTION 1. Section one hundred sixty-four point nine (164.9),
 2 Code 1958, is hereby amended by inserting after the word "be" in line
 3 eight (8) thereof the words "tattooed in the ear or".

Approved February 18, 1959.

CHAPTER 143

HOG CHOLERA

S. F. 76

AN ACT relating to the control of virulent hog cholera blood or virus.

Be It Enacted by the General Assembly of the State of Iowa:

1 SECTION 1. Section one hundred sixty-six point sixteen (166.16),
 2 Code 1958, is hereby repealed and the following enacted in lieu
 3 thereof:

4 "No person shall sell, distribute, use, or offer to sell, distribute, or
 5 use virulent blood or virus from cholera-infected hogs except for one
 6 or more of the following purposes:

7 a. for the purpose of interstate or foreign shipment of such blood
 8 or virus;

9 b. for the purpose of research at any biological laboratory or by
 10 any manufacturer of biological products;

11 c. for the purpose of testing biological products by any govern-
 12 mental authority or by any manufacturer of biological products.

13 d. for the purpose of manufacturing any biological products or for
 14 the purpose of producing immune hogs to be used in the production
 15 of hog cholera serum.
