S. F. 345

AN ACT providing for veterinary inspection of animals passing through sale yards or barns.

Be It Enacted by the General Assembly of the State of Iowa:

1 SECTION 1. The state department of agriculture shall collect a
2 veterinary inspection fee agreed upon by the marketing unit operator
3 and a qualified veterinary inspector, recommended by the marketing
4 unit operator and approved by the secretary of agriculture, plus a
5 cost of administration not to exceed two dollars per month per mar-
6 keting unit, on all animals marketed through sale yards, sale barns,
7 auction markets, or other marketing agencies required to hold permits

11 veterinary inspector for inspection services in accordance with agree-
12 ments between such veterinarians and the marketing units where
13 inspections are accomplished, reduced by the allowable amounts for
14 administration. Such fees shall be adjusted from time to time so that

18 receiving livestock moved into the state of Iowa for sale through said
19 sale yards, sale barns, and marketing agencies, except meat process-
20 ing establishments or terminal markets where full time federal in-
21 spections are required and such requirement is complied with. Sale

24 provisions of this Act, as well as livestock meeting federal and state
25 requirements for interstate shipment as to health at the time of entry
26 into Iowa.
