CHAPTER 1263

HOME RULE FOR COUNTIES

S. J. R. 1006

A JOINT RESOLUTION proposing an amendment to the Constitution of the state of Iowa to provide home rule for counties and joint county-municipal corporation governments.

Be It Resolved by the General Assembly of the State of Iowa:

SECTION 1. The following amendment to the Constitution of the State of Iowa is hereby proposed: Article three (III), legislative department, Constitution of the State of Iowa is hereby amended by adding the following new section:

NEW SECTION. Counties or joint county-municipal corporation governments are granted home rule power and authority, not inconsistent with the laws of the general assembly, to determine their local affairs and government, except that they shall not have power to levy any tax unless expressly authorized by the general assembly. The general assembly may provide for the creation and dissolution of joint county-municipal corporation governments. The general assembly may provide for the establishment of charters in county or joint county-municipal corporation governments. If the power or authority of a county conflicts with the power and authority of a municipal corporation, the power and authority exercised by a municipal corporation shall prevail within its jurisdiction. The proposition or rule of law that a county or joint county-municipal corporation government possesses and can exercise only those powers granted in express words is not a part of the law of this state.

SEC. 2. The foregoing proposed amendment to the Constitution of the State of Iowa is hereby referred to the general assembly to be chosen at the next general election for members of the general assembly and the secretary of state is directed to cause the same to be published for three consecutive months previous to the date of said election as provided by law.
